

# Benepower

One platform, countless benefits.

## Virtual Urgent Care

Feeling sick but don't want to spend hours at the doctor? Save time and get care with telemedicine!

Scan the QR code to download this flyer!

[Benepower.ai/resources](https://benepower.ai/resources)

Benepower offers 24/7 urgent care with no out-of-pocket costs—connect with a board-certified doctor anytime through the app or through your computer.

### What's included in your plan:

#### Primary care coordination

Urgent and primary care physicians can easily transfer your information for seamless care.

#### Easy prescription pickup

Your physician will send any prescribed medications to your preferred pharmacy.

#### Visit summaries

Your visit is recorded and transcribed for you to access your information at any time.
